***I'd be honored if you would "Take Your Seat" in Meymandi Concert Hall!***

***When you endow your seats, you never miss a concert. You can always be in the hall – in person and in spirit.***

With a special gift of \$10,000, you may endow two seats in Meymandi Concert Hall. We will honor your generosity with a personalized plaque on your seats to recognize your support of the North Carolina Symphony. Our promise to you is that your seats will never be released for subscription sale without your written permission. In addition, you will receive first right of refusal for your seats at North Carolina Symphony events outside of your series subscription.

***"Deciding to endow our seats was a win-win-win decision. We get to hear great music, from our great seats, while helping to grow the Symphony's endowment."***

**nCS** NORTH CAROLINA  
**SYMPHONY**

Founded in 1932, the North Carolina Symphony is a vital and honored component of North Carolina's cultural life. The Symphony's 175 annual performances are greeted with enthusiasm throughout the state, and its extensive education program is unrivaled by any U.S. orchestra.

In 1983, the North Carolina Symphony Foundation was created to ensure permanent long-term funding for the North Carolina Symphony Society and to manage the Symphony's endowment, which provides a reliable base of continuing annual support. Funding from the endowment helps support Symphony operations ranging from musician salaries to free education programs.
